[Primeira Parte]

Em D C G Am  
We are the fixture of industry  
Em D C G Am  
So then why go on, all undecided holding me?  
Em D C G Am  
I had to call up, enlighten me  
Em D C G Am  
Up until the way I sort out issues of dependency  
( Em D C )

I have been torn up with the right to be  
( Em D C G Am )

You won't go belly side up on me  
( Em D C G Am )

[Segunda Parte]

Em D C G Am  
Stood in the corner when we would fight  
Em D C G Am  
To act upon a lie and hang my shit up out to dry

Em D C G Am  
I wait with your medicine until you come on over  
( Em D C )
