

# Matt Hansen - Versions Of Forever

tom:  
Bbm (forma dos acordes no tom de Am )  
Capostrate na 1ª casa

I can't lie, I didn't see it comin'  
All this time, and it was runnin' out  
Runnin' out  
I knew every little thing about you  
Still, I missed how we were breaking down  
What happened now?

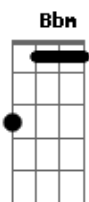

Darlin', we were a forest fire  
Till you burned out  
Woah, oh

I guess we had different versions of forever  
Mine was for life, yours was till there's someone better  
I know it's sad, but at least I still remember  
What we had, you can't take that back, no

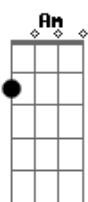

Ohh, ohh  
What we had, you can't take that back, no  
Ohh, ohh  
What we had, was it all that bad?

Took a one-way to New York City  
One day, it won't feel like our home, oh  
But I still see you there in every streetlight

Figure of a girl I used to know, used to know

Darlin', we were a hurricane  
But I spun you out

Woah, oh

I guess we had different versions of forever  
Mine was for life, yours was till there's someone better  
I know it's sad, but at least I still remember  
What we had, you can't take that back, no

Ohh, ohh  
What we had, you can't take that back, no  
Ohh, ohh  
What we had, was it all that bad?

'Cause you're all that I've known  
I thought we had it all

I guess we had different versions of forever  
Mine was for life, yours was till there's someone better  
I know it's sad, but at least I still remember  
What we had, you can't take that back, no

Ohh, ohh  
What we had, you can't take that back, no  
Ohh, ohh  
What we had, was it all that bad?
