

# Matt Maeson - Me And My Friends Are Lonely

tom:

Am

Am7 Cadd9 E7

I can't open up to you

F Am7

Me and my friends are lonely

Cadd9 E7

I don't know what to do

F Am7 Cadd9 E7 F

I always figured I'd be the one to die alone

[Primeira Parte]

Am7 Cadd9

I cope smothered in smoke

E7 F

Deep high, drape my soul in

Am7 Cadd9

I know things that you don't

E7 F

I've met murdering folk

Am7 Cadd9

And they took one of our own

E7 F

They took our innocent home

Hook

Am7 Cadd9 E7

So I can't open up to you

F Am7

Me and my friends are lonely

Cadd9 E7

I don't know what to do

F Am7 Cadd9 E7 F

I always figured I'd be the one to die alone

F Am7 Cadd9 E7 F

I always figured I'd be the one to die alone

Am7 Cadd9 E7 F

I always figured that I'd be the one to die alone?

Am7 Cadd9

So is there any lesson in confessing that you posted up

E7 F

Like Jesus on the corner selling baggies full of blessing?

Am7 C

Is it stressing all the things that you have morally accepted?

E7 F

Is it vexing wearing clothes that you have bled in?

[Terceira Parte]

Am7 Cadd9

Picture perfect victim, overwhelmed and so sadistic

E7 F

I was looking for a purpose, what a chance you had some with you

Am7 Cadd9

On the street when I forgot, the city breathes when I do not

E7 F

If I leave it does not stop here, no

Am7 Cadd9 E7 F

So is there any treason in the tricky little price I pay?

Am7 Cadd9 E7 F

Oh is there any treason in the tricky little price I pay?

Hook

Am7 Cadd9 E7

So I can't open up to you

F Am7

Me and my friends are lonely

Cadd9 E7

I don't know what to do

F Am7 Cadd9 E7 F

I always figured I'd be the one to die alone

Am7 Cadd9 E7 F

I always figured I'd be the one to die alone

Am7 Cadd9 E7 F

I always figured that I'd be the one to die alone?

[Segunda Parte]
