

# Matt Maltese - Less And Less

tom:

Intro: <sup>C</sup> <sup>C</sup> <sup>F</sup> <sup>C</sup>  
<sup>C</sup> <sup>C</sup> <sup>F</sup>

[Primeira Parte]

We make an end <sup>C</sup> <sup>C</sup>  
It seems short-sighted but in our defense <sup>F</sup>  
We were pretty damn young and unspent <sup>C</sup> <sup>C</sup>  
Making choices with our innocence <sup>F</sup>  
And October ends <sup>C</sup> <sup>C</sup>  
We grow closer to our other friends <sup>F</sup>  
Where I sat beside you <sup>C</sup> <sup>C</sup>  
I sit now and reflect <sup>C</sup>  
And walk by buildings <sup>F</sup>  
Till it makes some sense <sup>G</sup>  
And I know

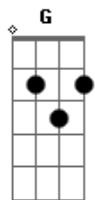

[Refrão]

You should take yourself <sup>C</sup> <sup>C</sup>  
Feel the rhythm life goes on again <sup>F</sup>  
Though I ain't sure it's really <sup>C</sup> <sup>C</sup>  
How we meant <sup>F</sup>  
I'll feel settled in a siple sense <sup>D</sup> <sup>F</sup> <sup>C</sup>  
Cause I think of you less and less

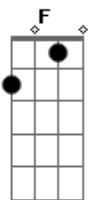

[Segunda Parte]

See the graprefruit moon <sup>C</sup> <sup>C</sup>  
By the willows where you clutched my youth <sup>F</sup> <sup>C</sup>  
I recall the end we always knew

We drift apart but it's

The right way through <sup>F</sup>

Yes I know <sup>G</sup>

[Refrão]

You should take yourself <sup>C</sup> <sup>C</sup>  
Feel the rhythm life goes on again <sup>F</sup>  
Though I ain't sure it's really <sup>C</sup> <sup>C</sup>  
How we meant <sup>F</sup>  
I'll feel settled in a simple sense <sup>D</sup> <sup>F</sup> <sup>Dm</sup>  
'Cause I think of you less and less

[Ponte]

And though it's fading with time <sup>G</sup>  
I remember the warm nights <sup>C</sup>  
With love in your eyes <sup>F</sup>  
Passing the days <sup>Dm</sup>  
Watching rain as it dries <sup>G</sup>  
Staring at your eyes <sup>C</sup>  
I know it's the time <sup>G</sup> <sup>G</sup>

[Refrão Final]

When you should take yourself <sup>C</sup> <sup>C</sup>  
See the daylight and the change that's been <sup>F</sup>  
Though I ain't sure <sup>C</sup> <sup>C</sup>  
I'll ever feel nothing <sup>F</sup>  
I'll be settled in a simple sense <sup>D</sup> <sup>F</sup> <sup>C</sup>  
'Cause I think of you less and less <sup>D</sup> <sup>F</sup> <sup>C</sup>  
'Cause I think of you less and less
