tom:  
F

[Refrão]

I wish you'd ask me  
If I wanna be your baby  
I wish you'd ask me  
If I?wanna?be your baby

[Primeira Parte]

Though?i know you've heard it all  
I?just wanna be your one  
And I don't like anyone  
But I like you very much

[Refrão]

I just wish you'd ask me  
If I wanna be your baby  
I wish you'd ask me  
If I wanna be your baby

[Segunda Parte]

Though I know you often call  
I can't hug my phone at night  
I am not a sentimental guy  
I need you in my life

[Refrão]

I just wish you'd  
Ask me (I could roll your cigarettes)  
If I wanna be your baby

(Oh baby)

I wish you'd ask me

(I could roll your cigarettes)

If I wanna be your baby

(I could make good friends

With your other friends)

(Oh baby)

[Refrão]

I wish you'd ask me

(I could roll your cigarettes)

If I wanna be your baby  
(I could make good friends

With your other friends)

(Oh baby)

I wish you'd ask me

(I could roll your cigarettes)

If I wanna be your baby

(I could make good friends

With your other friends)

(Oh baby)

[Final]

I could roll your cigarettes

I could make good friends

With your other friends

Oh baby

I could roll your cigarettes

I could make good friends

With your other friends
