

Matt McAndrew - Wasted Love

Tom: B

Abm Gb E B
 Ooooooh, wasted love
 Abm Gb E B
 So I'm not supposed to love you no more
 Abm Gb E B Gb
 I guess I'm not supposed to care
 Abm Gb
 I held you so close, now I'm holding a ghost
 E B Gb
 How can love just disappear?
 Abm Gb
 And where does it go when it's over?
 E B
 I know that it's somewhere out here

 Abm Gb E B Gb
 Has anybody seen all my wasted love?
 Abm Gb E B Gb
 I've been down every street, no, I won't give up
 Abm Gb E B
 Gb
 If I have to die trying to justify, that's how it's gonna be
 Abm Gb E B
 Has anybody seen all my wasted love?

 Abm Gb E B

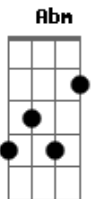

It's late, I'm drunk and I'm running on empty tonight
 Abm Gb E B Gb
 Baby, I'm chasing my shadow around
 Abm Gb
 Like smoke cigarettes I inhale these regrets
 E B Gb
 I can't change what I've become
 Abm Gb
 There's pain and there's glory, but this is my story
 E B
 I'm asking everyone
 G B
 Knocking down doors and I'm pounding the pavement
 G Gb Gb7
 Lie at your mercy, will somebody save me? Save me?

 Abm Gb E B
 Has anybody seen all my wasted love?
 Abm Gb E B
 I've been down every street, no, I won't give up
 Abm Gb E B
 Gb
 If I have to die trying to justify, that's how it's gonna be
 Abm Gb E B
 Has anybody seen all my wasted love?
 Abm Gb E B
 Bring it back to me, all my wasted love
