(**Am** **G** **Am** **G**)

Turn home from **Am** bars and weaving **G** closets full
Of stuttered turns when pedals **Am** redden **G** roads
We'd pass through **Am** farms, the orchards **G** are aligned
It looks too slow as we lay against the floor

Am **G**
The green fury becomes a monument
Am **G**
Slips off the road and new years become new lines
Am **G**

We didn't see the lights against the sky
Am **G**
We didn't see we were too far up the road

Am **G**
It's how canadians must feel
Am
Everything they see is real
G
My palms were made to match my eyes
Am **G**
It's how canadians watch days
Am
In a million different ways
G
And I am for the northern side

Am **G**
Watch the signs turn into lines
Am **G**
Watch the signs turn into lines
Am **G**
Watch the signs turn into lines
