

# Matt Willis - Crash

Tom: **B**

Here you go way too fast  
 Don't slow down you're gonna crash  
 You should watch - watch your stay here  
 Don't look out, you're gonna break your neck  
 So shut, shut your mouth  
 Cause I'm not listening anyhow  
 I've had enough, enough of you  
 Enough to last a life time through  
 So what, what do you want of me?  
 Got no words of sympathy and if I go around with you  
 You know that I'll get messed up too with you  
 With you

na na na na na na na na na na na na  
 na na na na na na na na na na na na  
 na na na na na na na na na na na na

Here you go way too fast

Don't slow down you're gonna crash  
 You don't know what's been going down  
 You've been running all over town  
 So shut, shut your mouth  
 Cause I'm not listening anyhow  
 I've had enough, enough of you  
 Enough to last a life time through  
 So what, what do you want of me?  
 Got no cure for misery and if I go around with you  
 You know that I'll get messed up too with you  
 With you, With you, With you  
 na na na na na na na na na na na na  
 na na na na na na na na na na na na  
 ( B E Gb E B E Gb )  
 na na na na na na na na na na na na  
 Don't slow down you're gonna crash

## Acordes
