

Matthew Perryman Jones - Save You

Tom: Bb

(com acordes na forma de
Capostrate na 3ª casa

I wanna rock-n-roll
I wanna give my soul
I'm wanting to believe
I'm not too old
Don't want to make it up
Don't want to let you down
I want to fly away
But I'm stuck on the ground

So, help me decide
Help me to make up
Make up my mind
Wouldn't that save you?
Wouldn't that save you?
Wouldn't that save you?

Watched it all go by
Was it really true?
Is that what it was?
Was that really you?
I'm looking back again
Tracing back the threads
You said I was a mess
Or was it just in my head

G)

So, help me decide
Help me to make up
Make up my mind
Wouldn't that save you?
Wouldn't that save you?
Wouldn't that save you?

So, help me decide
Help me to make up
Make up my mind
Wouldn't that save you?
Wouldn't that save you?
Wouldn't that save you?

Something's gotta break
You gotta swing the bat
Too many years of dying
Why is that?

So, help me decide
Help me to make up
Make up my mind
Wouldn't that save you?
Wouldn't that save you?
Wouldn't that save you?
Wouldn't that save you?
