

# Matthew Perryman Jones - Save You

Tom: Bb

(com acordes na forma de  
Capostrate na 3ª casa

I wanna rock-n-roll  
I wanna give my soul  
I'm wanting to believe  
I'm not too old  
Don't want to make it up  
Don't want to let you down  
I want to fly away  
But I'm stuck on the ground

So, help me decide  
Help me to make up  
Make up my mind  
Wouldn't that save you?  
Wouldn't that save you?  
Wouldn't that save you?

Watched it all go by  
Was it really true?  
Is that what it was?  
Was that really you?  
I'm looking back again  
Tracing back the threads  
You said I was a mess  
Or was it just in my head

G)

So, help me decide  
Help me to make up  
Make up my mind  
Wouldn't that save you?  
Wouldn't that save you?  
Wouldn't that save you?

So, help me decide  
Help me to make up  
Make up my mind  
Wouldn't that save you?  
Wouldn't that save you?  
Wouldn't that save you?

Something's gotta break  
You gotta swing the bat  
Too many years of dying  
Why is that?

So, help me decide  
Help me to make up  
Make up my mind  
Wouldn't that save you?  
Wouldn't that save you?  
Wouldn't that save you?  
Wouldn't that save you?  
(3X)
