

# Matthias Nebel - Meet Me At The Sunset

tom:  
 (Dbm7 Dbm Aadd9 )

Dbm7 Aadd9  
 Meet me at the sunset, sitting in the sand and

Dbm7 Aadd9  
 I've been thinking about the quiet time

Em  
 Maybe it's the right time

Ab7  
 Don't know what's wrong

Dbm7 Aadd9  
 I don't need to live a high life

Em  
 I don't wanna skydive

Ab7  
 Not anymore

Dbm7 Aadd9  
 It's been a while, since I got really wild

Em Ab7  
 Cause I don't wanna play anymore

Dbm7 Aadd9  
 I need some quiet time, think it is the right time

Em Ab7  
 To stop myself before I get bored

Dbm7 Aadd9  
 Meet me at the sunset, sitting in the sand and

Em Ab7  
 Listen to the ocean sing its song

Dbm7 Aadd9  
 Your eyes will start to glow, the sky turns shades of gold

Em Ab7  
 And I don't wanna go home anymore

Dbm7 Aadd9  
 I've been thinking about my lifetime

Em  
 I leave the past behind and

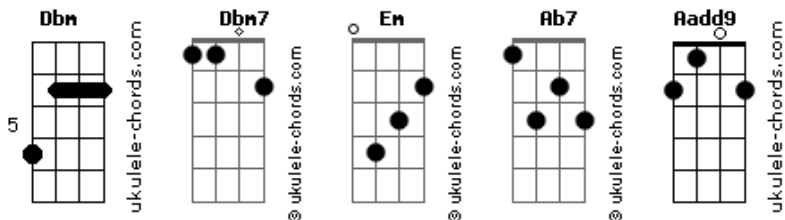

Ab7  
 Trying to move on

Dbm7 Aadd9  
 I don't need to live a high life

Em  
 I don't wanna skydive

Ab7  
 Not anymore
