

Matthias Nebel - Meet Me At The Sunset

tom:
 (Dbm Dbm Aadd9)

Dbm Aadd9
 Meet me at the sunset, sitting in the sand and

Dbm Aadd9
 I've been thinking about the quiet time

Em
 Maybe it's the right time

Ab7
 Don't know what's wrong

Dbm Aadd9
 I don't need to live a high life

Em
 I don't wanna skydive

Ab7
 Not anymore

Dbm Aadd9
 It's been a while, since I got really wild

Em Ab7
 Cause I don't wanna play anymore

Dbm Aadd9
 I need some quiet time, think it is the right time

Em Ab7
 To stop myself before I get bored

Dbm Aadd9
 Meet me at the sunset, sitting in the sand and

Em Ab7
 Listen to the ocean sing its song

Dbm Aadd9
 Your eyes will start to glow, the sky turns shades of gold

Em Ab7
 And I don't wanna go home anymore

Dbm Aadd9
 I've been thinking about my lifetime

Em
 I leave the past behind and

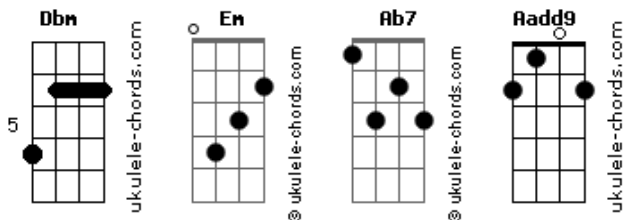

Ab7
 Trying to move on

Dbm Aadd9
 I don't need to live a high life

Em
 I don't wanna skydive

Ab7
 Not anymore
