

# Mauro Diniz - Ingrata Paixão

Tom: D

m

Perdoei, em nada adiantou

Você nem ligou, o que se vai fazer

Eu já sei, você acostumou

Aos erros discretos que a vida

Um dia lhe proporcionou

Tudo em vão aquilo que eu fiz

Vá, siga o seu caminho e seja bem feliz

D D

Não posso mais voltar atrás

Em A7 Em A7 D D

Porque agora não seria sensato ouvir perdão

Gbm B7 Em

Nego teu rosto molhado

E7 G A7-

Me ferir no passado foi ingrata paixão

D F

Não vá outra vez me enganar

Gbm B7

Rir é bem melhor que chorar

Em Gm

Sentir que neste momento

Gbm B7 E7A7 D

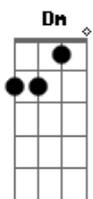

Todo seu tormento em nada vai mudar
