I remember when I was young

And your voice shouting loud my name
                    A
Since that moment
                       Dbm   Gbm   E
Never heard it quite that way

Now that I?m older,

Could you say it again

For the first time in my life I felt safe
