

Maverick City Music - Thank You

```
tom:
               C (forma dos acordes no tom de G )
Capostraste na 5ª casa
           [Primeira Parte]
I can sing a billion songs
           Em
Dance till?my?feet are numb
      D
Spin?till I'm empty and poor
Can?t praise?You enough
[Segunda Parte]
                  G
I can shout till my voice gives way
Leap till I have no strength
Lose my breath trying to explain
I can't praise You enough
[Pré-Refrão]
And if time were to stall
I can never tell it all
Words are few, this will have to do
[Refrão]
           C2
I just wanna thank You Em G
I just wanna thank You
        C2
I just wanna thank You
  Am G
Oh I'm grateful
     C2
I just wanna thank You
     Em
I just wanna thank You
     C2
I just wanna thank You
Am G
Oh I'm grateful
[Terceira Parte]
You sang till I found my song
You danced till my heart woke up
Now I move to the rhythm of love
I can't praise You enough
[Quarta Parte]
You wept my till I found my strength
                  Em
You lost your breath dying to save me D C
I'll never go back to that grave
Am G
I can't praise You enough
```

```
[Pré-Refrão]
And if time were to stall
I can never tell it all
Words are few, this will have to do
[Refrão]
I just wanna thank You
          Em
I just wanna thank You
         C2
I just wanna thank You
   Am G
Oh I'm grateful
        C2
I just wanna thank You
    Em G
I just wanna thank You
     C2
I just wanna thank You
Oh I'm grateful
( G C Em )
( G C Em )
( C Am G )
[Ponte]
I'm standing in the promise Em G
Surrounded by Your goodness
    G C2
You have overwhelmed us
 Am G
Hallelu___jah
I'm standing in the promise

Em G

Surrounded by Your goodness
You're just getting started
Hallelu___jah
[Pré-Refrão]
And if time were to stall
I can never tell it all
     С
Words are few, this will have to do
[Refrão]
I just wanna thank You Em G
I just wanna thank You
           C2
I just wanna thank You
    Am G
Oh I'm grateful
          C2
I just wanna thank You
        Em G
I just wanna thank You
C2
I just wanna thank You
Oh I'm grateful
```
