

# Max Costa - Muddy Water

Tom: **D**

**D**  
There's mud in the water  
**D**  
what could we have done  
**D**  
see the dead fish ashore  
**D**  
they're not the only ones  
**D**  
There's mud in the water  
**D**  
but it's not our fault  
**D**  
we still have no courage  
**D**  
to get things done

(**D D D** )

**D**  
There's mud in the water  
**D**  
nobody wats to talk about  
**D**  
see they live in ignorance  
**D**  
and some will cry outloud  
**D**  
There's mud in the water  
**D**  
nobody is to blame  
**D**  
while wating for solution  
**D**

we must face our shame

**G** **F**  
There's mud... mud in the water  
**G** **F**  
There's mud... mud in the water

**D**  
There's mud in the water  
**D**  
nobody wants to talk about  
**D**  
see they live in ignorance  
**D**  
and some will cry outloud  
**D**  
There's mud in the water  
**D**  
nobody is to blame  
**D**  
while waiting for solution  
**D**  
we must face our shame

**G** **F**  
There's mud... mud in the water  
**G** **F**  
There's mud... mud in the water  
**F**  
Somehow we must survive  
**G** **D**  
to what we call human nature  
**F**  
Somehow we must survive  
**G** **D**  
to our own anihilation
