

Mayday Parade - I Swear This Time I Mean It

Tom: G

(intro) G D C G

(verse)

G D
Oh Florida, please be still tonight
C G Em
Don't disturb this love of mine

D D
Look how she's so serene
C G
You've gotta help me out

G D C
And count the stars to form in lines
G Em
And find the words we'll sing in time
D
I want to keep her dreaming
C D
It's my one wish, I won't forget this

(pre-chorus)

C D D D
I'm outdated, overrated
C Em D
Morning seems so far away

(chorus)

G D
So I'll sing a melody
C
And hope to God she's listening
Em D
Sleeping softly while I sing

G D
And I'll be your memories
C
Your lullaby for all the times
Em D
Hoping that my voice could get it right

(intro / solo)

(verse)

G D C
If luck is on my side tonight
G Em
My clumsy tongue will make it right
D
And wrists that touch
C G
It isn't much, but it's enough
G D C
To form imaginary lines
C G
Forget your scars, we'll forget mine
Em D
The hours change so fast
C G
Oh God, please make this last

Pre-Chorus:

C D D D
'Cause I'm outdated, overrated
C Em D
Morning seems so far away

(chorus)

G D
So I'll sing a melody
C
And hope to God she's listening
Em D
Sleeping softly while I sing
G D
And I'll be your memories
C
Your lullaby for all the times

Hoping that my voice could get it right

Could get it right
