

Mayday Parade - Stay

Tom: **D**

D

me to somewhere new.

D
If you believe that everything's all right
Bm you won't be all alone tonight. And I'd be

A slowly lifting me to somewhere new.

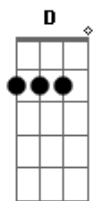

D Oh, can't you tell I haven't slept very well **G**
since the last time that we spoke **Bm** **A** **G**
D You said please understand if I see you again **G**
Bm **A** **G** don't even say hello.

Please...

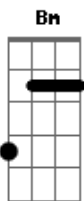

D G Bm A (x2)

D What a night it is when you live like this **G**
Bm and you're coming up beneath the clouds **A**
D don't let me down. All the love's still there **G**
Bm I just don't know what to do with it now **A**
D You know I still can't believe we both did some things **G**
Bm **A** I don't even want to think about
D **G**
