

Maye - My Love

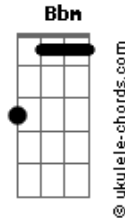

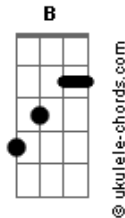

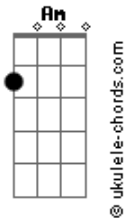

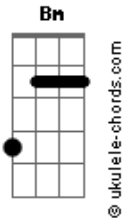

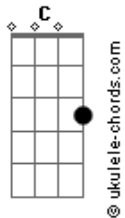

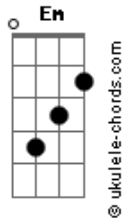

tom:
 When the skies are blue
 And the tides are high
 And I see the moon
 I think of you
 Through the circles in my mind
 Acting like my muse
 And you (Aaa), paint a picture in my head
 But I can only make out silhouette
 Like the poems I never read, but you write your own in my bed

[Refrão]

And that's how I like my love
 My love
 My love
 My love
 My love
 My love
 My love

[Segunda Parte]

You say you'll stay with me forever
 But I think forever doesn't seem like it's enough
 Yo quiero ser parte de tu presente
 De tu principio y de tu final
 You (Ooo), you paint a picture in my head
 But I can only make out silhouette
 Like the poems I never read, but you write your own in my bed

[Refrão]

And that's how I like my love
 My love
 My love
 My love
 My love
 My love
 My love

[Final]

My love
