

# McFly - Dragon Ball

tom:  
Capostrate na 2ª casa

[Primeira Parte]

Picking up the pieces of my heart left on the floor  
Like it was written in the stars that I was meant for  
Something more  
Now I'm a one man army fighting everybody's war  
Will I survive? I must survive

[Segunda Parte]

The world is on my shoulders, So much pressure to  
Prevail  
This is the story of my life and it's a sad and lonely  
Tale  
So what's the point in trying if your destiny's to  
Fail?  
You won't survive. But I must survive

[Refrão]

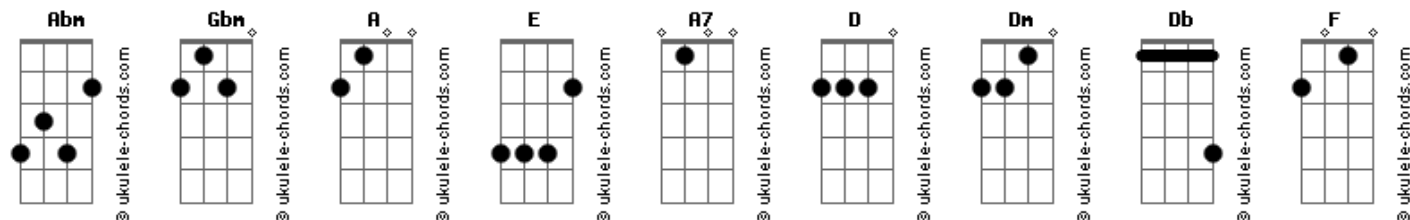

I'm on the run  
From everyone  
Where moons and suns collide  
My back's up against the wall  
I'll never fall  
When I find all  
The Dragon Balls

[Terceira Parte]

Nights are long and restless  
Danger's always somewhere near  
And I'm not saying I'm a hero  
But I'm prepared to face the fear  
We'll send evil running when they hear my army cheer  
We will survive. 'Cause we will survive

[Refrão]

[Ponte]

Evil's not forgiving  
We will never give in  
Until we're not living  
Do/can you hear me?  
Evil's not forgiving  
We will never give in

Do/can you hear me?
