

McFly - Honey I'm Home

tom:

Intro: **C**

[Primeira Parte]

I don't know where I belong
Or where I've been coming from

Anytime I see your face

I find my way

I know my place

That's when I say

[Refrão]

Honey, honey, honey I'm home
Feels like I've been here all along

Did you even know I was gone?

Honey I'm home

Did you even know I was gone?

Well honey I'm home

[Segunda Parte]

I could sail the universe
Reach the end and hit reverse

It doesn't matter where I roam

Or how far I go

My mind is blown

That's why I know

[Refrão]

Honey, honey, honey I'm home
Feels like I've been here all along
Did you even know I was gone?

Honey I'm home
Did you even know I was gone?

Well honey I'm home

[Ponte]

Some may say that there's a price to pay

Through someone else's eyes you'll see a brighter day

I tell you now I'll never fly away

Wherever you are is where I wanna stay

Is where I'll stay

[Refrão]

Honey, honey, honey I'm home
Feels like I've been here all along

Did you even know I was gone?

Honey I'm home

Did you even know I was gone?

Oh honey I'm home

Honey I'm home

Honey I'm home

Honey I'm home
