

McFly - Hypnotised

```
Tom: C
 (verse 1)
I feel like i've been here once before
You threw my bags out through the door and in the road
I came home to find them on the floor % \left\{ 1\right\} =\left\{ 1
and as the rain began to pour i got cold
and i tried to compromise
But you keep tellin' all these lies
Now i don't get to say my last goodbyes
 (chorus)
Goodbye to you've been wastin' all my time
You're no longer mine, now you've left me F {\sf G}
I can't seem to get you off my mind E Am
that's when i realised, you had me hypnoti-i-ised
 (verse 2)
Why am i now living on my own
She keeps inviting people home all the time
Why am i still paying for phone
When all the luxuries she owns should be mine
Now i start to wonder why
                                                                                   D7
you shrug me off when i say 'hi'
```
