

# McFly - I Want To Touch You

Tom: Db

(acordes na forma do tom C )

Capostraste na 1ª casa

I want to touch you (and sleep with you)

I want to touch you baby (it's all about)

I want to touch you (yes, that's you)

I want to touch you

yesterday I told you something I thought you knew  
so I told you with a smile, I want to touch you.

then you whispered in my ear and you told me, too:

Get lost you make me sick, I wouldn't touch you

But I would touch you in all the right places if you want me,  
too.

But if you denied me one of your kisses, Sarah Cox will do.

So hold me close and say three words like you used to do.

Groping on the studio floor, I want to touch you, yeah.

( C E Am F G C C7 )

And if I had only one of the wishes, I would wish for you

Dressed in a tight nurses outfit and I know what to do,

so give it up cos you know full well that you want me, too.

I'll dress up as Sandy Lyle and holding one on the shagpile

As I take you with a smile, I want to touch you.

I want to touch you (and sleep with you)

I want to touch you baby (it's all about)

I want to touch you (yes, that's you)

I want to touch you (i's all about)

I want to touch you (sleep with you)

I want to touch you baby (it's all about)

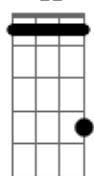

I want to touch you (yes, that's you)

I want to touch you

I wanna touch youuuuuuuuuuu.
