

# McFly - The End

Tom: Db

(com acordes na forma de  
Capotraste na 1ª casa  
(capo 1ª casa)

(intro) F C G Dm Em F C G

Kicking off is the hardest part  
Nothing's certain at the start  
Letting go, so something can begin

Figure out how to get a life  
Leave tomorrow, live tonight  
Gotta throw, throw your heart right in  
'Cause we all fall down

Everybody knows the end  
When the curtain hits the floor  
Everybody knows the end  
Don't wanna get there wishing that you'd given more  
It's not over, 'till it's over  
So how do we begin?  
When everybody knows the end  
Yeah

I need to live with nothing fixed  
Don't tell me what's gonna happen next  
I'm alright, I like the way this feels  
Leave behind all the things I miss  
The next stop isn't where you think it is  
'Cause tonight I'm riding off the rails  
'Cause we all fall down

Everybody knows the end  
When the curtain hits the floor  
Everybody knows the end  
Don't wanna get there wishing that you'd given more  
It's not over, 'till it's over  
So how do we begin?  
When everybody knows the end  
  
Is where you hope you never say  
"I could have done it better"  
And I'm gonna keep what counts and throw away  
What doesn't really matter and I wanna die (I wanna die)  
On the highest height (on the highest height)  
It's not over (it's not over) 'Till it's over  
I wanna stay here forever  
'Cause we all fall down  
( F C G )  
Oh yeah  
  
Oh, Everybody knows the end  
When the curtain hits the floor  
Everybody knows the end  
Don't wanna get there wishing that you'd given more  
It's not over, 'till it's over  
So how do we begin?  
When everybody knows the end, yeah  
Everybody knows the end  
Everybody knows the end
