

McFly - Too Close For Comfort

Tom: D

Intro 4x: G D Em7 C Cm Em

(Em) (2x)

I never meant the things I said
To make you cry

Can I say I'm sorry

It's hard to forget

And yes I regret
All these mistakes

I don't know why you're leaving Me
But I know you must have your reasons

There's tears in your eyes

I watch as you cry
But it's getting late

Was I invading in on your secrets

Was I too close for comfort

You're pushing me out
When I'm wanting in

What was I just about to discover

When I got too close for comfort

Driving you home
Guess I'll never know

(Em) (4x)

Remember when we scratched our names into the sand

And told me you loved me

But now that I find
That you've changed your mind
I'm lost the words

And everything I feel for you
I wrote down on one piece of paper
The one in your hand
You won't understand

How much it hurts to let you go

Was I invading in on your secrets

Was I too close for comfort

You're pushing me out
When I'm wanting in

What was I just about to discover

When I got too close for comfort

Driving you home
Guess I'll never know

All this time you've been telling me lies

Hidden in bags that are under your eyes
And I when I asked you I knew I was right

But if you took it back on me now
When I need you most

But you just let me down, down, down

Would you think about what you're about to do to me
And back doooooooooown...

Was I invading in on your secrets

Was I too close for comfort

You're pushing me out

When I'm wanting in

What was I just about to discover

I got too close for comfort

You're pushing me out

When I'm wanting in
(Yeh yeh yeh)

What was I just about to discover

When I got too close for comfort

Driving you home

Guess I'll never know
