

McFly - Transylvania

```
Tom: E
                                                                 has upset her monstrosity
                                                                 N.C
                                                                 remembers a voice and hears him sing
B Abm Abm7 Abm Abm7
Anne Boleyn she kept a tin,
                                                                 Chorus
B Abm Abm7 Abm Abm7
which all our hopes and dreams were in,
                                                                 Abm Ebm
                                                                 People marching to the drums,
E Dbm Bb Fig 2
She plans to run away with him, forever, (never to be seen
                                                                 E B B
                                                                 everybodys having fun to the sound of love,
again)
                                                                 Abm Ebm
                                                                 ugly is the world we're all in

                                                                 when hell freezes over, thats when i tell, (x4)
B Abm Abm7 Abm Abm7
                                                                 Dougie: People marching to the drums...
racing, pacing, in the dark,
B Abm Abm7 Abm Abm7
She's searching for a lonely heart,
                                                                 Who is your lover, i couldn't tell,
she finds him but his heart had stopped, She breaks down.
                                                                 when hell freezes over, thats when i tell, (x3)
Eb Db B Bb
Sorry but your majesty,
                                                                 Who is your lover, i couldn't tell,
Eb Db B Bb
                                                                 Dbm B Eb7
refusing orders from the queen
                                                                 when hell freezes over, thats when i tell
Eb Db B Bb
                                                                 when will this stop.
