[Primeira Parte]

Bm  
Sunset drinking, laid out in the field  
Where we both grew up  
And we drank too much

Bm  
Closing time, getting thrown out of pubs  
We?weren't?old?enough  
But it didn't?stop us

[Pré-Refrão]

Ab  
Loving you  
Was?never a choice  
When I hear your voice, the rest is background noise  
And if they hate on us  
We'll leave 'em in the dust

[Refrão]

Bm  
You to me are everything  
I could ever want  
We're wild and we're young  
Th? sun shines down on the both of us  
Two hearts b?ating as one  
We're wild and we're young  
Oh, believe me when I say it's all I ever want  
We're wild and young

[Segunda Parte]

Bm  
Waking up, wondering what we've done  
And it hurts my head  
Should we just stay in bed?

## Acordes
