

Ewan McGregor - Come What May

tom:
Never knew I could feel like this
Like I've never seen the sky before

Want to vanish inside your kiss
Everyday I love you more and more

Listen to my heart can you hear it sing
Telling me to give you everything
Seasons may change. Winter to spring
But I love you until the end of time

Come what may
Come what may
I will love you
Until my dying day

Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace
Suddenly my life doesn't seem such a waste

It all revolves around you

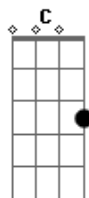

And there's no mountain too high, no river too wide
Sing out this song and ill be there by your side
Storm clouds may gather and stars may col-lide
But I love you until the end of time

Come what may
Come what may
I will love you
Until my dying day

Oh come what may
Come what may
I will love you

Suddenly the world seems such a perfect place
Come what may
Come what may
I will love you
Until my dying day
