

# McKane Davis - Eye Of The Universe

tom:

D

Bm D

Lost in the wreckage of Giant's Deep

G

Time is the giver

Bm A

And the thief, of all things

Bm D

Cyclones rising up toward the bursting Sun

Fm

Fire in the sky now run, now run

G

Run now, run now, run now run

D

Then a flash of light

Returning to a stitch in time

G

Those glowing diamond eyes

Bm

I can't forget the shine

Fm

Every question has an answer

G

Buried inside

I will find you

D

Find you on the other side

( G D G )

Bm D

Every now and then I hear that sound

G Bm A

Hollow and brittle crumbling down, tumbling down

Bm D

A crossroad to salvation there within

Fm

But a black hole deeper still, it pulls me in

G

Pulls me in, pulls me in

D

Then a flash of light

Returning to a stitch in time

G

Those glowing diamond eyes

Bm

I can't forget the shine

Fm

Every question has an answer

G

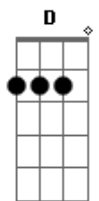

Buried inside

I will find you

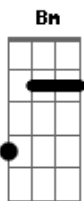

D

Find you on the other side

( G D G )

Bm D

A darker seed of doubt grows into fear

G Bm Gm A

A web of bramble spreading everywhere, everywhere

Bm D

Through the fog, a beacon calls me in

Fm G

The only way to conquer fear is from within

From within, from within

D

Then a flash of light

G

Returning to a stitch in time

There's a storm - and a calm in the eye

Bm

I won't forget that shine

Fm

Every answer has a question

G

Buried inside

I will find you

D

I'll find you on the other side

( G D G )

G D A

I had a vision under starlit skies

G D A

We gathered 'round the fire in that glowing light

Bm G

All my friends joined in when the banjo played

D

I tried to hold time still

A

But it couldn't stay

Bm

We couldn't stay

Fm

We couldn't stay

G

We couldn't stay

D

But I will hold you still inside

G

The eye will hold you still inside

Bm

I'll find you on the other side

G

I'll meet you in the outer wilds
