

# McKenna Grace - Swim Team

tom:  
[Primeira Parte]

Tell me everything about your past  
So I can overthink it  
Was she pretty?  
Was she smart?

Did you kiss her in the dark?  
Leave her house at 5 in the morning  
No, it doesn't help to ask  
But I can't shake the image  
Did you make out in your car?  
Did she let you take it far?  
And you know I'm not talking about mileage

[Pré-Refrão]

I'll play it cool, and I'll toe the line  
I'll pull you close but I'm in my mind  
You're treading deep, I've never left the crowd  
Will you still want me if I don't know how?

[Refrão]

He's swimming laps  
I've never touched the deep end  
I'm safe at last  
Too scared to chase this feeling  
I was never scared of falling  
Until all I know is sink or swim cause  
He's swimming laps  
And I'm drowning in the bleachers

[Segunda Parte]

Tell me when you touch my hair  
Do you ever think of her?  
It makes me sick, you've seen her naked  
Sorry I'm so PG rated  
But honestly who's keeping score  
I wish I knew how I compared

## Acordes

I know I'll never be the first  
And I might not be the second  
But I hope I make you question  
Every other girl before  
[Pré-Refrão]

I'll play it cool, and I'll toe the line  
I'll pull you close but I'm in my mind  
You're treading deep, I've never left the crowd  
Will you still want me if I don't know how?

[Refrão]

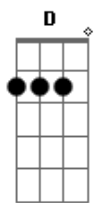

He's swimming laps  
I've never touched the deep end  
I'm safe at last  
Too scared to chase this feeling  
I was never scared of falling  
Until all I know is sink or swim cause  
He's swimming laps  
And I'm drowning, I'm drowning

[Ponte]

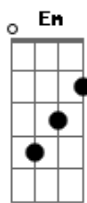

Sitting on a bench  
While everyone's diving in  
Will you hold my hand  
And wade in the shallow end?  
Will you catch me or leave me floating?  
Climbing out, blue lips and cold skin

[Refrão]

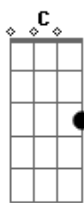

He's swimming laps  
I've never touched the deep end  
I'm safe at last  
Too scared to chase this feeling  
I was never scared of falling  
Until all I know is sink or swim cause  
He's swimming laps  
And I'm drowning, I'm drowning  
I'm drowning in the bleachers
