[Primeira Parte]

<sup>C</sup>  
Funny when you stop and think  
time goes faster then you blink  
But nothings ever like it was  
But girl we've got a special  
thing all the happiness it brings  
Is more than enough

[Pré-Refrão]

<sup>Dm</sup>  
I know its hard to believe  
you're still the biggest part of  
me  
All I'm living for

<sup>C</sup>  
I still think about you, I still  
dream about you  
I still want you and need you by  
my side  
I'm still mad about you, All I  
ever wanted was you  
Your still the one, Your still  
the one

[Segunda Parte]

<sup>C</sup>  
It's hard to breathe when were  
apart, you're like sunshine in my  
heart  
I keep you here inside  
You've been everything to me,  
you've been and always will be  
The apple of my eye

[Pré-Refrão]

<sup>Dm</sup>  
I know its hard to believe  
you're still the biggest part of

[Ponte]

<sup>F</sup>  
If you love me look in-to my eyes  
and say you do  
I've been waiting all my life for  
someone just like you  
Baby after  
all that we've been through  
Girl I'm still in love with you  
And I want you to know I do  
do

Chorus: (key change)

<sup>Db</sup>  
I still think about you, I still  
dream about you  
I still want you and need you by

Your still the one
