[Primeira parte]

In the ground, we bury
The seeds of a pear tree
All the things we carried
Now we're down to our bare feet

[Refrão]

May I have this dance?
To make it up to you
Can I say something crazy?
I love you

Give me both your hands
To make it up to you
Let me spin and excite you

[Segunda parte]

We are bound to inherit
The sins of our parents
And all of the people we passed through
Now we're down to the last two

[Refrão]

May I have this dance?

To make it up to you
Can I say something crazy?
I love you
Give me both your hands
To make it up to you
Let me spin and excite you
May I have this dance?
To make it up to you
Can I say something crazy?
I love you

Give me one more chance
Give me one more chance
Give me one more
Let me spin and excite you
[Ponte]

You got your- your mother's eyes
You got your grandmother's ring
You got your daddy's discernment
Girl, you did your thing
You got your- your mother's eyes
You got your grandmother's ring
You got your daddy's discernment
Girl, you did your thing
