

MEG - Monster

Tom: A

His little whispers "Love me, love me"
 That's all I ask for "Love me, love me"
 He battered his tiny fists to feel something
 Wondered what it's like to touch and feel something

(Refrao)

Monster. How should I feel?
 Creatures lie here
 Looking through the windows

Gbm D (2X)

That night he caged her, bruised and broke her
 He struggled closer, then he stole her
 Violette wrists and then her ankles. Silent Pain

Then he slowly saw their nightmares were his dreams

(Refrao)

Monster. How should I feel?
 Creatures lie here
 Looking through the windows

I will hear their voices
 I'm a glass child. I am Hannah's Regrets

Gbm D (2x)

Monster. How should I feel?
 Turn the sheets down

Murder ears with pillow lace
 There's bath tubs full of glow flies
 Bathe in Kerosene. Their words tattooed in his veins
