(riff 2: Bridge)

Anyone think he's playing this on the higher strings instead
of what I have below?

```
                                                | /  slide up
                                                | \  slide down
                                                | h  hammer-on
                                                | p  pull-off
  x       x       x         x                   | ~  vibrato
                                                |    harmonic
