Tom: D
Intro: com violão

Guitarra Marca o violão e depois riff da introdução

Riff com abafado
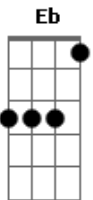

```
 D            Eb
  How much pain
D            Eb
 Do you need to feel
D            Eb
 How much shame
D              Eb
 Do you have to conceal
D             Eb
 There is no sunshine
```

```
D              Eb
 Just endless nights
D           Eb         D           Eb
 Nobody is there,  nobody cares when you cry

D      Bb        G
Is is my face you see
         A              D
Do I haunt you in your sleep
            Bb                     G            A
On your hands and knees wheen you crawl through your
nightmares
D           Bb
When there's no more grace
G                A
 Does your heartbeat starts to race
D            Bb        G
Clawing everywhere in the dark
A
Poisonous Shadows
