

Megadeth - This Was My Life

Tom: **G**

This tab is complete
Timing isn't exact, that's hard to do
but I did the best I could
Solo timing is pretty much exact,
but you should still listen,
to the **CD** for it's exact timing.
I'm also not sure on some chord names,
so I made them up.

Intro: **B Bb A G A Ab G F E**
