## Meghan Trainor - Hopeless Romantic

```
Tom: C
                                                           And I'm sick of waiting
  С
                  С
                                                                     C
                                                                             Fm7
Ever after comes after we meet
                                                           I'm just a hopeless romantic
                                                                     Am7 C7 C
                      C
 I think the movies were lying to me
                                                           Looking for love
Dm7
         G
Oh my, how they lie
                                                           I'd risk it all just to have it
                                                                     Fm
Know I'm ready to give you my heart
                                                           I wouldn't take it for granted
С
                  С
                                                                    С
                                                                            Em7
 Just gotta find you so we can start
                                                           I'm just a hopeless romantic
Dm7
                                                                    Am7 F
      G
Oh yeah, but till then
                                                           Not giving up
                                                                    Dm7
                                                                           С
         G
               Am7
                                                                                   G
I gotta be patient
                                                           Cause I deserve to find my own
               Dm7
                        G
                                                                Dm7
                                                                       С
                                                                            G
But I'm tired of waiting
                                                           I can feel it in my bones
                                                                 Dm7
                                                                             С
                                                                                      G
          С
                                                           Yes, I know you're somewhere close
                 Em7
I'm just a hopeless romantic
                                                                  C

                                                                                  Fm7
    Dm7 C G
                                                           You're just a hopeless romantic
I can feel it in my bones
                                                                                 Am7 C7
                                                           And you're looking for love
  Dm7 C
                           G
Yes, I know you're somewhere close
                                                           You'd risk it all just to have it
G7
        C
Giving me hope
                                                                      Fm
                                                           You wouldn't take it for granted
                С
 Bet we met at a party before
                                                                     C
                                                                             Fm7
                                                           I'm just a hopeless romantic
С
 You were sweet and held open the door
                                                                     Am7 C7 C
                                                           Looking for love
Dm7
                G
Oh my, I should've said hi
                                                                      F
                                                           I'd risk it all just to have it
So if you're out there
                                                                     Fm
                                                           I wouldn't take it for granted
And hearing this song
                                                                             Fm7
                                                                     C
                                                           I'm just a hopeless romantic
C
 Just know I'm here
                                                                    Am7 F
           C
                                                           Not giving up
And you're taking too long
                                                                    Dm7
                                                                           С
                                                                                   G
                                                           Cause I deserve to find my own
Dm7
             G
Baby, come and find me
                                                               Dm7 C G
                G
                       Am7
                                                           I can feel it in my bones
Cause I've been so patient
                                                                 Dm7
                                                                             С
                                                                                      G
                                                           Yes, I know you're somewhere close
             Dm7
                       G
                                                           G7
                                                                  C7M
                                                           Giving me hope
