

Meghan Trainor - Hopeless Romantic

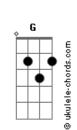

```
Tom: C
  C
Ever after comes after we meet
 I think the movies were lying to me
Dm G
Oh my, how they lie
C
Know I'm ready to give you my heart
 Just gotta find you so we can start
Oh yeah, but till then
I gotta be patient
But I'm tired of waiting
I'm just a hopeless romantic
          Am C7 C
Looking for love
I'd risk it all just to have it
          Fm
I wouldn't take it for granted
                   Em
I'm just a hopeless romantic
         Am F
Not giving up
                 С
         Dm
Cause I deserve to find \operatorname{\mathsf{my}} own
I can feel it in my bones
  Dm C
Yes, I know you're somewhere close
Giving me hope
 Bet we met at a party before
 You were sweet and held open the door
Oh my, I should've said hi
 So if you're out there
And hearing this song
 Just know I'm here
And you're taking too long
Baby, come and find me
               G
Cause I've been so patient
```
