

# Meghan Trainor - Like I'm Gonna Lose You

Tom: C

C  
I found myself dreaming  
Em  
In silver and gold  
Am  
Like a scene from a movie  
F  
That every broken heart knows

C  
We were walking on moonlight  
Em  
And you pulled me close  
Am  
Split second and you disappeared  
F  
And then I was all alone

C  
I woke up in tears  
With you by my side  
Em  
Breath of relief  
Am  
And I realized  
F  
No, we're not promised tomorrow

C Em  
So I'm gonna love you like I'm gonna lose you  
Am F  
I'm gonna hold you like I'm saying goodbye  
C  
Wherever we're standing  
Em  
I won't take you for granted  
Am F  
'Cause we'll never know when, when we'll run out of time

C Em  
So I'm gonna love you like I'm gonna lose you  
Am F  
So I'm gonna love you like I'm gonna lo-se you

C  
In the blink of an eye  
Em  
Just a whisper of smoke  
Am  
You could lose everything

F  
The truth is you never know  
C  
So I'll kiss you longer baby  
Em  
Any chance that I get  
Am  
And I'll make the most of the minutes  
F  
And love with no regrets

C  
Let's take our time to say what we want  
Em Am  
Use what we got before it's all gone  
F  
'Cause no, we're not promised tomorrow

Both  
C Em  
So I'm gonna love you like I'm gonna lose you  
Am F  
I'm gonna hold you like I'm saying goodbye
