Say I'm a special kind of woman  
I'm loving what you got, but I'm hating what you doing  
Gotta understand  
That I'm looking for a man who can get up on a bike  
Look mom, no hands  
You gotta show me off, off  
But you on purpose, if that's the case I'm all gone  
You gotta treat me like a trophy, put me on the shelf  
I promise something else  
Baby don't call me your friend F Dm  
If I hear that word again Gm C  
You might never get a chance to take me naked in your bed Am Dm Gm C  
And I know girls ain't hard to find F Dm  
But if you think you wanna try Gm C  
Then consider this an invitation to kiss my ass goodbye Am Dm Gm C  
Give me that title, title F  
Come on give me that title, title Dm Gm  
Better give me that title, title C F  
Come on give me that title, title Dm Gm C
