

Mehl Franzen - Pacific Punch

tom: **A** **DM7**
 What a beautiful night **DM7**
 If you came here tonight/
Dbm **Gbm**
 If I could stop crying
DM7
 What a beautiful day
DM7
 If you opened your eyes /
Dbm **Gbm**
 And I was still in your arms

DM7
 Sometimes the way things are

 The way time goes by/ you wish **Dbm**
Gbm
 ... Two more minutes
DM7
 Cause now I hate Seahorse

Dbm
 And I can't listen to Steel Pulse/ You don't get it
Gbm
 ... I was yours, baby

 Refrain: **A** **DM7**
 Love is just a lonely choice
A **DM7**
 And I could mute my voice
Bm **E**
 But not my faith.../ or destiny
A **DM7**
 Your big green eyes
A **DM7**
 Were never a lighthouse
Bm **Dbm** **DM7**
 They're giant waves/ or maybe high tide

DM7
 One of the best parts of my life
DM7
 It was you breathing on my neck

Dbm **Gbm**
 During the summer breeze
DM7
 But I was just a little piece
DM7 **Dbm**
 In your Monopoly / you did play
Gbm
 And I lost the game
DM7
 When the stars were shining
DM7
 You're counting grains of sand
Gbm
 From your Yesterdays
DM7
 When the love was rising
DM7
 It was stopped by your hands
Dbm **Gbm**
 Your drums played the end?

 Refrain
A **DM7**
 Love is just a lonely choice
A **DM7**
 And I could mute my voice
Bm **Dbm** **E**
 But not my faith.../ in destiny
A **DM7**
 Your big green eyes
A **DM7**
 Were never a lighthouse
Bm **Dbm** **E**
 They're giant waves/ or maybe high tide
Bm
 And now I know
E **Gbm**
 What I was facing
Bm **Gbm**
 Surfing on a teardrop / and hearing the ocean's noise
Dbm **DM7**
 I thought, with you/ I was safe
