I've been driving up and down these streets, trying to find
                                                                                                                                                                                                                                                Things just feel so wrong (So wrong)
somewhere to go

Yeah I'm looking for a familiar face but there's no one I know
Oh this is torture, this is pain
