

Melanie Martinez - Birthing Addicts

Tom: C

Dm **E** **Am**
Peoples begin to observe
Dm **E** **Dm**
Watching the waste on this earth
Dm **E** **Am**
Mamas don't love their kids like they used to
Dm **E** **Am**
Letting them smoke their herbs

Dm **E** **Am**
Nails bitten down to the nub
Dm **E** **Am**
Palms out as far as they run
Dm **E** **Am**
Soup never reaches its boil
Dm **E** **Am**
Dinner ain't the only thing they spoiled

Dm **E** **Am**
Let the maggots and worms infest your brain
Dm **E** **Am**
Got your memory of all timers begins
Dm **E** **Am**
Let that hell of a drug emerge in your veins
Dm **E** **Am**
And I, will claim that I love you
Dm **E** **Am**
And I am the one who birthed you

Dm **E** **Am**
Skin tearin' down to the bone
Dm **E** **Am**
Freckles fall off as they're told
Dm **E** **Am**
You realize soon your identity changes
Dm **E** **Am**
No longer the person you were
Dm **E** **Am**
No longer the person that you adore

Dm **E** **Am**
Let the maggots and worms infest your brain
Dm **E** **Am**
Got your memory of all timers begins

Dm **E** **Am**
Let that hell of a drug emerge in your veins
Dm **E** **Am**
And I, will claim that I love you
Dm **E** **Am**
And I am the one who birthed you

(**Am**) 2X

G
Thank you mama
Am
For all you've done
G
Gave me cancer
Am
And thick black lungs
G
Left me rotting
Am
On the street
G
Rather shoot up
Am **E**
Than have food to eat

Dm **E** **Am**
Let the maggots and worms infest your brain
Dm **E** **Am**
Got your memory of all timers begins
Dm **E** **Am**
Let that hell of a drug emerge in your veins
Dm **E** **Am**
And I, will claim that I love you
Dm **E** **Am**
And I am the one who birthed you
Dm **E** **Am**
And I am the one who birthed you

Dm **E** **Am**
Do, do, do do do, do, do [2x]

Dm **E** **Am**
Mamas don't love their kids like they used to
Dm **E** **Am**
Letting them smoke their herbs
