

# Melanie Martinez - Cake

Tom: G

Your skin is warm like an oven

Your kiss is sugary sweet

Your fingers feel like cotton

When you put your arms around me

I feel like I'm just missing

Something whenever you leave

We've got all the ingredients

Except you loving me

Unrespectfully

I'm not a piece of cake

For you to just discard

While you walk away

With the frosting of my heart

So I take back

What's mine, you'll miss

The slice of heaven that I gave to you last night

You smell just like vanilla

You taste like buttercream

You're filling up my senses

With empty calories

I feel like I'm just missing

Something whenever you leave

We've got all the ingredients

Except you needing me

So respectfully

I'm not a piece of cake

For you to just discard

While you walk away

With the frosting of my heart

So I take back

What's mine, you'll miss

The slice of heaven that I gave to you last night

If I'm just a piece of cake

I'm just a piece of cake

Then you're just a piece of meat

You're just a piece of meat to me

If I'm just a piece of cake

I'm just a piece of cake

Then you're just a piece of meat

You're just a piece of meat to me

I'm not a piece of cake

For you to just discard

While you walk away

With the frosting of my heart

So I take back

What's mine, you'll miss

The slice of heaven that I gave to you last night

The slice of heaven that I gave

The slice of heaven that I gave to you

The slice of heaven that I gave to you last night
