[Primeira Parte]

They're carvin' my name  
 In the grave again  
 The flowers are fresh  
 And their faces wet  
 My body has died  
 But I'm still alive  
 Look over your shoulder  
 I'm back from the dead  
 Lightin' all your candles  
 To draw me in  
 Sayin' all the same things  
 I'm gone this time  
 Your words mean nothin'  
 So take 'em back  
 And meet me here across the plane  
 The other side, I'm not far

[Pré-Refrão]

When you aren't around  
 I sink into the ground  
 I try to pretend I'm closer to you  
 Never understand it  
 You're always on my mind  
 I cannot help it  
 I don't wanna be carryin'  
 The weight on my shoulders  
 Death has come to me  
 Kissed me on the cheek  
 Gave me closure, immortal by design  
 I'll be meetin' you  
 Here every time

[Refrão]

Back from the dead  
 Back from the dead  
 I'm back from the dead  
 Back from the dead  
 I'm back from the dead  
 Back from the dead  
 I'm back from the dead  
 Back from the dead

 ( F E7 Am G )

(Death, death, death)  
 (Death, death)  
 (I'm back)

[Segunda Parte]

They're sayin' my name  
 In their prayers again  
 I flicker the lights  
 So they understand  
 I won't say goodbye  
 I'm right by your side  
 We're screamin' and pleadin'  
 This separation ends  
 Doing all your witchcraft  
 To pull me in  
 Burnin' all your sage to  
 Connect our line  
 I show my presence  
 You run away in fear of ghosts  
 I try to talk  
 The barriers are too strong
