

Melanie Martinez - Disney Princess

tom:

D (forma dos acordes no tom de C)

Capostrate na 2ª casa

The prettiest girl in all land
 Was left alone without a hand
 To hold, or teach, or mold, or pray
 She fell down the sewer and got led astray
 Monsters, demons, and all the rest
 Took her soul and innocence
 They tweezed and pulled all that was left
 Till she was made a Disney princess

G Am Em
 Drunk drive doe eyed and twenty bumps

In deep, I need to trauma dump

Am Em
 He says I fight for relevance

The words I've feared since I was young

Am Em G
 Please, don't go, you're the only one

Am Em G
 Who sees my soul, but fuck these other cunts

Am Em G
 Can't quit the show, I've signed the dotted line

Am Em
 And I've fucked every devil

G Am Em
 We can go there faster than they can

Faster than the average person

Am Em
 Los Angeles, turn on your TV

Come on, worship me, I'm perfect

G Am Em
 Behind the scenes, liquor and cocaine

Suffering and pain, it's worth it
 G Am Em
 My allowance bought me everything

Still can't buy my innocence

 (G Am Em)

G Am Em
 Grown men asking where I was from

Too young, out late with nothing on
 G Am Em
 Parents got rich, out having fun

G
 "Party At Mine" is what I sung

Am Em G
 I traded my bows for strapless bras and snow

Am Em G
 Can't toss this gold, it's my name that they know

Am Em G
 Who's all this for if I'm so miserable?

Am Em
 I wanna kill all these devils

G Am Em
 We can go there faster than they can

Faster than the average person

Am Em
 Los Angeles, turn on your TV
 Come on, worship me, I'm perfect

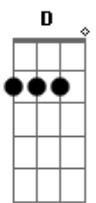

G Am Em
 Behind the scenes, liquor and cocaine

Suffering and pain, it's worth it
 G Am Em
 My allowance bought me everything

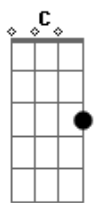

Still can't buy my innocence
