

Melanie Martinez - Faerie Soirée

tom: [Intro] A Dbm

A
The blue stars running on my forehead
A
Cold wings fluttering and moving
A
Mushrooms everywhere I'm turning
Dbm
Laced with love, intensive grooving
Dbm
They said, they said

A
I know how to make you go crazy
Dbm
Every day, oh-ah, ooh-ah(Ah)
A
Tease your mind and trick you
Dbm
You really wanna stay, ooh-ah, ooh-ah (Ah)
A
I know the way to make you lose your pace
Dbm
Your trace, your trace

A
If you wanna ride with the magic
B Dbm
Lose sight of the gravity of weight
A
Lips of sugar, I'm breathing
Dbm
The pheromones again, oh-ah, oh-ah
A B Dbm
Hands are tied and Miranda Rights don't mean nothing

A Dbm
Led me astray to the faerie soirée, alone, alone
A
And now I wanna ride with the magic
Dbm
Lose sight of the gravity of home
A
Blue stars running down my forehead
Gbm
Cold wings fluttering and moving
Dbm
Mushrooms everywhere I'm turning
Dbm B
Laced with love, intensive grooving
A B Dbm B
They said, they said, they said
