

# Melanie Martinez - Fire Drill

tom:

Intro: Bm Em D Gbm

Bm Em D  
I've never fit into any category, always  
Gbm  
Deemed an outcast  
Bm Em  
Since I was in Sunday school and all the  
D Gbm  
Cool kids said I was weird  
Bm  
It's exactly the same, they say  
Em D  
Why do you dress that way? Why do you act  
That way?  
Gbm  
Why don't you dress like me?  
Bm  
So is that what you really wanna say to me?  
Em  
You playin' games with me  
D  
Tellin' you're for my kind, still you  
Abandon me  
Gb7  
Calling me words I'm not paintin' a picture that's false  
Bm Em  
You must not know my heart, but I know it isn't your fault  
D  
You live in a world and you clutch, you  
Gbm  
Don't get out very much  
Bm Em  
Livin' in the fake world, full of facades  
D  
And chaotic behavior  
Gb7  
You pull the lever for fun, yell fire, then  
Gb  
You just run  
Bm Em  
Fire drill, what would happen if a nuke just hit  
D  
Would you say bye to your family? Would you  
Gbm  
Post about it?  
Bm Em  
Fire drill, if it all went up in flames one day  
D Gbm  
Would you give your mom a hug before your house burned away?  
Bm Em  
It kills, I wish the best for you  
D Gb7  
And you think I ignore you too, but  
Bm Em  
Really, I'm tryna live my own life  
D Gb7  
Be present more, and so should you, it's alright to  
Bm Em  
Cryin' inside  
D Gbm  
'Cause nothin' I ever say comes alright  
Bm Em  
We're on the same side  
D  
If I'm honest with you, you just run and  
Gbm  
Hide  
Bm Em  
I'm bad at public speaking  
D Gbm  
But I'm speaking now so hear me out (shut up)  
Bm Em D  
I personally believe that everyone is fully  
Gbm

Capable  
Bm  
Of more than what they're doing, all of the  
Em  
Bullying  
D  
All of the screwing around with people they  
Gbm  
Don't even really know, oh (Bla,bla,bla,bla)  
Bm Em  
Eatin' a hate soufflé, and an angry bit of sorbet  
D  
All 'cause you were bored one day  
Gb7  
Losing your wits and your grace  
Bm Em  
Fire drill, what would happen if a nuke just hit  
D  
Would you stay bye to your family? Would  
Gbm  
You post about it?  
Bm Em  
Fire drill, if it all went up in flames one day  
D  
Would you give your mom a hug before your  
Gbm  
House burned away?  
Bm Em  
It kills, I wish the best for you  
D Gb7  
And you think I ignore you too, but  
Bm Em  
Really, I'm tryna live my own life  
D Gb7  
Be present more, and so should you, it's alright to  
Bm  
I'm not the government  
Em  
I'm not the fucked up men  
D Gb7  
I'm not a part of anything that is hateful  
Bm Em  
Love is seeping out my pores, I don't hold anger anymore  
D Gb7  
Even for people who hurt and betrayed me (okay)  
Bm  
I'm not the government  
Em  
I'm not the fucked up men (gross)  
D Gb7  
I'm not a part of anything that is hateful  
Bm Em  
Love is seeping out my pores, I don't hold anger anymore  
D Gb7  
Even for people who hurt and betrayed me  
Bm Em  
Fire drill, what would happen if a nuke just hit?  
D  
Would you say bye to your family? Would you  
Gbm  
Post about it?  
Bm Em  
Fire drill, if it all went up in flames one day  
D  
Would you give your mom a hug before your  
Gb7  
House burned away?  
Bm Em  
It kills, I wish the best for you  
D Gb7  
And you think I ignore you too, but  
Bm Em  
Really, I'm tryna live my own life  
D Gb7  
Be present more, and so should you, it's alright to  
I'm getting out of here
