                                                                 I need a gingerbread man, the one I'll feed
                                                                    Eb7
                                                                The gingerbread man, the one I'll eat
    Abm
I'm frosting
                                                                Abm
                                                                One who's always crazy
                               Fb
I don't need a man to make my life sweet
                                                                Never calls me baby
      Abm
Prince charming
                                                                 Е
                                                                That's the one that I want
                                Eb
Just isn't the one that I think I need
                                                                Fb7
                                                                                       Abm
                                                                All you boys are not him
      Abm
You're thirsty
                                                                Eb7 Abm E Eb7
                                                                Him, him
                                 Fb
You think I give out all my shit for free
    Abm
                                                                Abm
I'm bursting
                                                                I'm the icing covering his body
                    Eb
                                                                Eb7
Out laughing at idiocy
                                                                 I wanna hold him so close, so tightly
                                                                Abm
                                                                Baby how do I say this politely?
         Abm
I need a gingerbread man, the one I'll feed
                                                                                  Eb7
                                                                 E
   Eb7
                                                                Love me hard and don't be nice, please
The gingerbread man, the one I'll eat
                                                                Abm
                                                                 I wanna feel your crumbs on my body
Abm
One who's always crazy
                                                                Fb7
                                                                I want to break you in pieces like me
Never calls me baby
                                                                Abm
                                                                Baby don't be so scared of biting
F
That's the one that I want
                                                                                        Fb7
                                                                 F
                                                                Want to eat each other into nothing
Fb7
                     Abm
All you boys are not him
Eb7 Abm E Eb7
                                                                          Abm
Him, him
                                                                I need a gingerbread man, the one I'll feed
                                                                    Fb7
                                                                The gingerbread man, the one I'll eat
     Abm
Can't you see?
                                                                Abm
                                                                One who's always crazy
                               Eb
I only want the ones who never see me
                                                                Never calls me baby
        Abm
But I'm happy
                                    Fb
                                                                That's the one that I want
I love playing these games until my heart bleeds
                                                                Eb7
                                                                                      Abm
                                                                All you boys are not him
         Abm
It bleeds jelly
                                                                Eb7 Abm E Eb7
                                                                Him, him
                                         Fb
Cause you don't want someone to eat your cookie
                                                                Abm Eb7
    Abm
Can someone please
                                                                Abm E D#7
             Fb
