

# Melanie Martinez - Gutter

tom:

Dbm (forma dos acordes no tom de Am )

Capostrate na 4ª casa

One by one, the houses get stolen

By corporate erosion

Winters come with nowhere to hide

Out, don't sleep 'cause they'll find out

Nobody ever thinks they'll end up broken

Till they're out there frozen

Screaming: They're crazy, till you're the one

Begging for food for your baby

You don't see the pain, see the harm

See the carvings on their arm

See the truth, see the lives

See the severed family ties

See the town where they reside

Money don't fall out from the sky

See the child, they have a mother

You just throw them in the gutter

No one's safe, the powers that be are so

Sick and deranged

Clean the streets, they lock them in jail and

Make them work for free

Nobody ever talks to their neighbour

Till they need a favor

Come to the forest and build your community

Don't get immune to this

Don't see the pain, see the harm

See the carvings on their arm

See the truth, see the lives

See the severed family ties

See the town where they reside

Money don't fall out from the sky

See the child, they have a mother

You just throw them in the gutter

If everything's said and done and you're around

I'ma run, I'd rather die than be near you

Evil is as evil does, y'all can just go get fucked

We'll be haunting you, haunting

Haunting you, haunting you

Don't see the pain, see the harm

See the carving on their arm

See the truth, see the lives

See the severed family ties

See the town where they reside
